

Art on the Wall (in the hallway from the lobby to the ballroom) currently features artist Barbara Brown. As you admire the fresh face of our Pecan Plantation Clubhouse be sure to enjoy Barbara's beautiful selection of art September 1st to 30th.

About the artist: My Motto reflects my passion "Painting for Pleasure" After retiring and moving to Texas I have taken years of art classes to enlighten myself with basic fundamentals of painting. I started out using oil and painting traditional art landscape pieces. While I still love using oil, currently I have discovered the joy of non-traditional art. Working with acrylics, alcohol inks and resin fulfills my passion. I would love to create a signature art piece for you.
